

Individual genetic profile Reference base INGX-2017

Animal name **LIEVENOOGEN NA** Animal number **NL707001157** Sex (M/F) **M** Birth date **10/06/2017**

The samples were collected under the responsibility of :

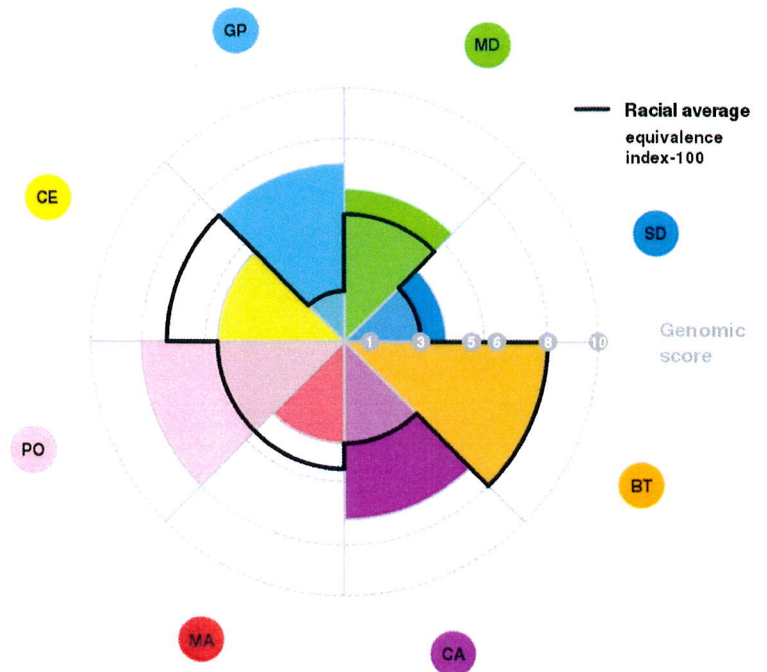

X breeder or applicant an accredited sampler approval number

Sire : Dam : Double muscling : non porteur
Horn polled : non testé

Trait **Score génomique**

1 : non improving
10 : excellent

Calving Ease (CE)	5
Growth potential (GP)	7
Muscular development (MD)	6
Skeletal development (SD)	4
Bone thickness (BT)	8
Direct calving ease (DCE)	7
Milking ability (MA)	4
Pelvic opening (PO)	8

Udder morphology
